

SC2040

Spill Pallet 1380 x 1290 x 280 4 Drum 245 Litre

4 drum 245 litre • Removable grid
deck for easy cleaning

PRODUCT DESCRIPTION

A tough durable spill pallet with a removable platform that provides space for four 245 litre drums side by side. When unused the platform can be removed and other pallets of the same size can be stacked to save space. Pallet has hand insert and access holes for inspection and pump insertion.

This products is for the static storage of drums only - drums should be removed before forklifting.
